

# PROTECTING AMERICA'S ECONOMIC SECURITY

**RSC FISCAL YEAR 2024 BUDGET**

The reckless policies of President Joe Biden and Congressional Democrats has created a record \$10 trillion in new spending in just two years, caused historic inflation, and forced massive interest rate hikes.

The RSC Budget would implement common-sense policies to prevent the impending debt disaster, tame inflation, grow the economy, protect our national security, and defund Biden's woke priorities.

## **Balances the Budget in 7 Years**

- Includes common-sense reforms to reduce spending by over \$16 trillion in ten years.
- Cuts non-defense discretionary spending by \$5 trillion over ten years.

## **Provides for the Common Defense and Stand up to America's Enemies**

- Ensures our military has the resources and direction to combat Communist China.
- Defunds Biden's woke policies on abortion, CRT, gender politics among others.

## **Secures the Border & Build the Wall**

- Fights Biden's open border agenda and funds the construction of a southern border wall.
- Implements H.R. 2 – the Secure the Border Act as well as the RSC-endorsed border security framework and includes additional reforms such as restoring the public charge rule.

## **Unleashes North American Energy Production**

- Ensures American energy security by building upon H.R. 1 - The Lower Energy Costs Now Act, which would create jobs, reduce energy costs, increase wages, and lower the deficit.
- Repeals Biden's crony taxpayer-funded giveaways to unreliable and expensive energy sources.

## **Fights the Weaponized Administrative State**

- Includes over hundreds of deregulatory actions and proposals to oppose Biden's radical expansion of the federal government.
- Rescinds Biden's funding for the IRS to harass and spy on hard working Americans.

## **Protects Americans from the Radical Woke Agenda**

- Offers the most pro-life Congressional budget ever with dozens of pro-life member initiatives.
- Prohibits taxpayer funding for Critical Race Theory and radical gender ideology.
- Fortifies religious liberty protections and First Amendment rights.
- Protects our 2nd Amendment rights.

## **Empowers Individuals Through Work and Tax Cuts**

- Builds upon the successful work requirements of the 90's across all welfare programs.
- Removes barriers to family formation such as marriage penalties.
- Make the Tax Cuts and Jobs Act permanent, putting money back with American workers.
- Incentivize companies to keep and add jobs in America through pro-growth tax policy.

## **Saves Medicare & Social Security from Biden's Destructive Plan**

- Rejects Biden's plan to cut Social Security benefits by 23% in the next decade.
- Expands choice and competition in Medicare to lower premiums for tens of millions of seniors.
- Adopts bipartisan measures to support Social Security solvency without affecting retirees in or near retirement.
